Re: PSC Case No. 2010-00126

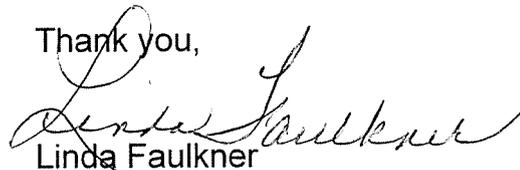

Dear Mr. Hughes:

In your letter of August 27, 2010 you notified me that construction for the Water Treatment Plant approved by the final order in Case No. 2010-00126 was approximately three-fourths complete. Thank you. The ordering paragraphs of this order include the following requirement:

- LCWD shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein.

If the project is complete, please submit this information and reference this case number. Otherwise, please give me an update on the status of the project.

Thank you,

Linda Faulkner
Filings Director
